

## Water Supply Update

### *Serving the Communities of Millbury and Oxford*

#### **Weather Trends/Outlook**

Precipitation totaled 2.21 inches in July. This amount was significantly less than the long-term average of 4.6 inches. This is consistent with the data from the last twelve months as Millbury/Oxford has seen substantially less precipitation than an average year for this region. Millbury and Oxford are currently not in drought.

## U.S. Drought Monitor Massachusetts

**July 29, 2025**

(Released Thursday, Jul. 31, 2025)
