AQUARION Water Company

Stewards of the Environment™

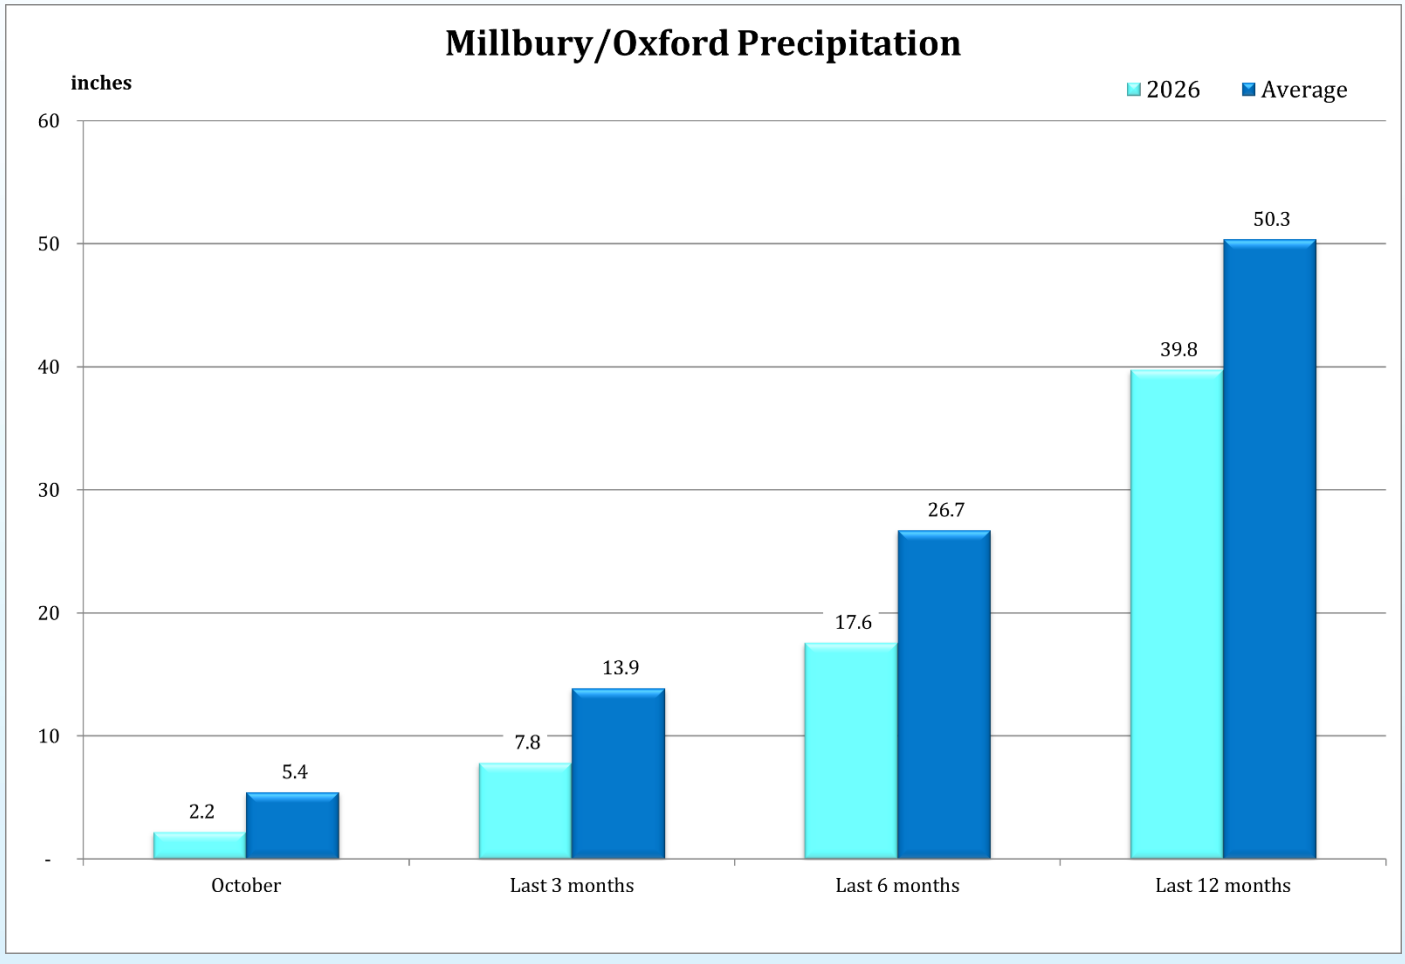

October 2026

Water Supply Update

Serving the Communities of Millbury and Oxford

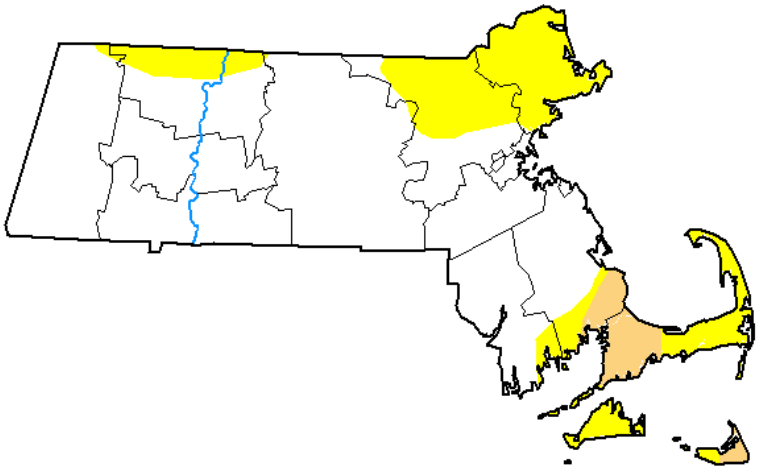

Weather Trends/Outlook

Precipitation totaled 2.2 inches in October. This amount was less than the long-term average of 5.4 inches. This is consistent with the data from the last twelve months as Millbury/Oxford has seen less precipitation than an average year for this region. Millbury and Oxford are currently not in drought.
